

## Evaluation For Outdoor Wheels to the Field

In order to judge the effectiveness of this program and to aid in seeking future funds, ECEC needs evaluation data. For this reason, before schools are reimbursed for their travel, ECEC needs to receive a minimum of one evaluation from an educator and four evaluations from students who participated in the outdoor education lesson.

**Student Evaluations** - students may describe their outdoor experience through the use of essay, poetry, artwork, or other method (be creative!) which will enable ECEC and our funding sources to assess the success of the class through the eyes of the student.

**Teacher Evaluations** - please complete the following:

Name \_\_\_\_\_ Date of outdoor class \_\_\_\_\_

School name and address \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

School name and address check should be mailed to if different from above \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Grade(s) \_\_\_\_\_ Number of students \_\_\_\_\_

Location(s) of outdoor class \_\_\_\_\_

CO Content Standards addressed with this outdoor class (subject and number, ex. Sci 3.1)

Did you use resource people from outside the school district to assist with teaching this class?

Did this outdoor experience help your students better understand the concepts you were teaching?  
If so, how? If not, why not (please use backside as necessary)?

**To receive transportation payment, please mail this form and student evaluations to:**

**Judy Lopez  
SLV RC&D  
101 S. Craft Drive  
Alamosa, CO 81101**

If you have questions or concerns about this evaluation process, please contact Judy at 580-5300 or Mike Blakeman at 852-6212.
